Re: Delegation of Authority to Approve and Sign Contracts

Dear Neal:

Pursuant to the authority granted to me through the Board of Trustees' Resolution dated February 18, 2010, I hereby delegate to you the authority to approve and sign contracts, including amendments hereof, necessary to support or further athletic programming in an amount not to exceed \$100,000.

This delegation is made for the purpose of allowing the Office of the Athletic Director to more efficiently carry out its functions and responsibilities in connection with assisting the Director of Athletics with the day-to-day operations. This includes the signing of numerous University contracts regarding athletic programming.

The authority provided by this delegation is made to you in your capacity as Senior Associate Director of Athletics and will continue in the event of any change in title should there be no significant change in function. In addition, the authority delegated herein shall remain in effect for any successors in function, unless explicitly withdrawn in writing.

The authority provided by this delegation shall automatically be rescinded if you separate from the University or cease to be employed in your current position or successor in function. You may not further sub-delegate this authority. To the extent that the scope of any subsequent delegation conflicts with this delegation, the subsequent delegation shall control. This delegation is made in addition to those embodied in the President's Contract Signing Authority Delegation Storrs, Regional Campuses, Law School and School of Social Work, issued on April 30, 2013.

Sincerely,

Thomas C. Katsouleas
President
